

Start a Team

FIRST® LEGO® League Jr. captures the curiosity of young children, ages 6 to 10 (grades K-4), and directs it toward discovering the wonders of science and technology. Children explore and research a real-world topic, design and build a model using LEGO® elements making sure there is at least one motorized part, and then present their journey on a poster.

1
Learn about what we do

2
Form your team

- You need:**
- Up to 6 team members
 - 2 Coaches
 - Meeting space
 - Computer with internet access

3
Register & gather your materials

- You need:**
- **FIRST** LEGO League Jr. Inspire Set – includes bricks, elements, and an exclusive model that serves as the hub of every season.
 - Poster board
 - Markers

Each August, the program releases a two-part Challenge for teams.

- **Create:** Teams illustrate their research and team journey in a *Show Me* Poster, sharing what they studied and learned.
- **Build:** Teams design and build a Team Model based on the Challenge, representing what they have learned.
- **Program:** Teams use LEGO® Education WeDo to build and program a model that moves, learning basic engineering and programming concepts.
